Dripping Springs Women's Club

All women who live or work in the Dripping Springs area are invited to join the Dripping Springs Women's Club. The club was formed in 2008 to provide women throughout the area opportunities to interact and acquire information about the community. Annual membership today averages approximately 200.

The club conducts eight events a year, including luncheon meetings with informative programs, a holiday marketplace featuring local businesses and a member/guest holiday party. A listing of 2010 programs can be found on page 36 of this booklet.

As a community service, the club produces this "Guide to Dripping Springs Area Non-Profit Organizations" and this year also provided a \$500 scholarship for a female graduate who resides in the Dripping Springs school district.

For further information, visit the web site at www.dswomensclub.com or email womenofds@yahoo.com.

*Dripping Springs
Community Foundation*

Created in 1999, the Dripping Springs Community Foundation (DSCF) gives financial aid and support to non-profit organizations that serve the community.

The Foundation provides the community a centralized source and tax-free designated resource for the collection and distribution of charitable gifts, grants and funds to be used for the common good of the community.

In less than 10 years, thanks to the generous support of many, the Foundation is now able to make significant grants to deserving groups.

Contributions are our lifeblood.

We rely entirely on the generosity of those individuals, families and members of the business community who wish to contribute to the common good. No gift is too small or too large and all are vital to the Foundation's work.
